

Blackened Air

(S Vancea, C McDonald –2020)

(verse 1)

One, for your troubles
Two, for your time
Three, for your profit making
Four, for your lies
Five, for the bloody wars
Six, for the countless scores
Seven, for the blackened air
Eight, for the lack of care

(chorus 1)

What do we stand for
In a culture that has no say
There is no time for delay
What are we waiting for
What will we fight for
What will we do to change it

(verse 2)

We're in trouble
Run out of time
Burst the bubble
Life's on the line
We're in trouble
We've run out of time
Burst the bubble
Lives are on the line

(chorus 2)

What do we stand for
In a culture that has no say
There is no time for delay
What are we waiting for
What will we fight for
What will we do to save us

(verse 2)

We're in trouble
Run out of time
Burst the bubble
Life's on the line
We're in trouble
We've run out of time
Burst the bubble
Lives are on the line

Blackened air
Blackened air
Blackened air

(chorus 1)

What do we stand for
In a culture that has no say
There is no time for delay
What are we waiting for
What will we fight for
What will we do to change it
